

What's The Cost?

The registration fee is \$69 per person. There are substantial discounted Early Bird & Super Early Bird rates available. This is amazing for a conference of this quality. This includes admission to all general and breakout sessions, plus a full-color workbook, a conference T-shirt, and LUNCH. Yes, you read that correctly, LUNCH IS INCLUDED.

How Do We Pay For It?

Most schools bundle the \$69 registration fee into their regular tuition or student activity fees. This allows you to collect fees in advance and eliminate having to ask parents for more money after the fact.

Even if it's not possible to work it into the tuition or activity fees, it is still worth this low cost for this conference. We pack more in one day than most schools have in a full spiritual emphasis week! Six (6) speakers — Five (5) sessions — all in one incredible day.

Most students spend close to this amount for a movie & popcorn and for what? Two hours of fantasy and escape. This is an entire day that could change the trajectory of your school and your students' lives forever. It is well worth it.

Your deposit of \$20 per student and teacher should be based upon projected enrollment and is due as soon as possible. This reserves your place at the

conference, as seating is limited. The balance, due no later than 30 days prior to the conference, will be adjusted to reflect your actual number of attendees.

Who Do We Bring To The Conference?

Since this is a spiritual emphasis conference, we ask that you bring your entire middle school and high school student body, plus teachers, faculty, and staff. Most schools have a Spiritual Emphasis Week with one chapel each day for five days. The One Real Day Spiritual Emphasis Conference has two general sessions, along with four breakout sessions. So, in this one day event, your students and teachers will get more than if you had a typical Spiritual Emphasis "Week."

Because of the magnitude of this Christian School conference, we only bring it to selected cities every few years. This is why we ask you to bring all of your middle school and high school students. If not, some of your students will never have the opportunity to participate in this special event.

How Long Is The Conference?

The conference is ONE (1) day, lasting from 9:00 AM to 2:30 PM (8AM-3PM including registration & end of conference fellowship). There are two (2) huge General Sessions and four (4) unique Breakout Sessions each day. There is a Breakout Session for middle school students, another for high school students, and a third for teachers/faculty.

Additionally, we offer a session specifically designed for student worship leaders. Please refer to the sample schedule for more details.

How Do We Get To The Conference?

Transportation is the responsibility of each individual school. Most schools utilize buses or vans, although smaller schools may carpool. This is totally left to the discretion of the participating schools.

Our conference locations are easily

accessible from major roads and highways. In addition, the conference ends at 2:30 PM. These factors often allow nearby schools to return students and staff to their own school with minimal impact on bus and parent pick-up schedules.

Since this is a special event, some schools rent buses for the occasion. Others have borrowed buses and drivers from local churches or neighboring schools. While we recognize the logistical challenges, it is worth it!

Is Lodging Available?

We routinely invite all schools within a 50-mile radius of the venue. However, some schools travel considerably farther and may require overnight accommodations. If you require lodging and would like a list of hotels close to the conference, please contact us at 1-800-356-4963. We would be more than happy to provide you with a list of local hotels.

We hope you won't miss a moment of the conference. Therefore, if you need to leave earlier than 2:30 PM each day, we encourage you to consider staying overnight.

Is Lunch Provided?

YES! Lunch is included for our One Day Events! (Chick-fil-A or similar).

Can't We Just Come To The Next Conference?

The One Real Day Spiritual Emphasis Conference only comes to selected cities every few years. We're excited about how God is using it to challenge and propel students towards a more authentic and vibrant walk with Christ. By the time we are back in your city, your current students may have already graduated — thus, missing out on an event with the potential of changing their lives for eternity!
